

Calling All Artists!

We love to sell local artwork and crafts on consignment. If you have any of the following artworks/crafts/products that you'd be interested in selling at Mother Earth, give us a call to set up an appointment.

We look at artwork on Wednesday and Thursday afternoons, and we DO NOT TAKE COLD CALLS.

Pottery - particularly if it can be made to specs, ie. fit standard size growers pots.

Jewelry - keeping in mind we're a garden store - natural materials, perhaps botanically inspired, not too delicate or pricey.

Cards - all kinds

Garden Art

Aprons, tool belts, hats

Trellises, bird houses, furniture, what else can you dream up?

We apologize ahead of time if we choose not to sell your work.

Thank you for your interest.
